

JUNE ANNOUNCEMENTS

- July 4 - Closed for Independence Day Holiday
- You can visit Scott Key Center on Facebook and Twitter!

If you have someone you are responsible for going on a field trip this summer and they require sunscreen, then you will need to apply it before they come to Scott Key Center. Unfortunately we are unable to apply sunscreen to individuals unless we have a doctor order on file. This is not a SKC policy, but a MD Board of Nursing regulation.

Please dress appropriate to the weather. Encourage those that are working outside, or doing work at multiple locations to bring a water bottle with them. SKC is air conditioned and at times can feel cool to some, so keep that in mind when dressing for the day.
